

Singfest 2021 – What to bring and directions

Directions to the Singfest venue

Singfest takes place at **Mellow Farm Dockenfield, Surrey, GU10 4HH**. Head south on the A325 past Birdworld and ignore all signs to Dockenfield. Pass the Country Market on your right, then a BP garage on your left, then take the next left into Picketts Hill, just before the traffic lights, signposted Headly Park.

Drive past the country club and keep going until you cross over the river, then immediately turn left into Smithy Lane. Take the next left over a small bridge onto Heath Hill. Look out for a lovely steward in a hi-viz jacket.

Coming from the south up the A325, pass through Bordon to the same junction and turn right.
